19 November 2026

Odoo x Make-A-Ton 9.0 Kochi Hackathon 2026

(Final Round: 19 - 20 December 2026)

Frequently Asked Questions

What is the location for the hackathon?

COCHIN UNIVERSITY OF SCIENCE AND TECHNOLOGY (CUSAT), University Road, South Kalamassery, Kochi 682022, Kerala KL, India

What documents do I need to bring for verification?

An original **Aadhar card** is required for verification (virtual copy allowed) to enter the hackathon venue.

What about systems or devices?

Participants are required to bring their own laptops and necessary devices for the hackathon. Internet connectivity and charging points will be provided at the venue.

What about accommodation?

During the hackathon, rest areas will be created (not hostel rooms), to take a short break and rest at night time. Also, participants are solely responsible for their belongings.

What about food?

All participants will be provided with vegetarian meals at no cost during the hackathon. Starting from Breakfast on Day 01 to Lunch on Day 02.

What about transportation?

Participants are expected to manage their own transportation. No travel allowance or reimbursement will be provided.

What if my team member(s) are not available?

If your team members are unavailable, remaining teammates may still participate. However,**team member replacements will not be permitted** under any circumstances.

Only final round participants attending and completing the final round physically, would be entitled participation certificates.

What is the schedule for the Final Round?

Day	Time	Particulars
Day 1	7:30 AM – 9:00 AM	Registration
Day 1 & 2	10:00 AM – 10:00 AM	24-hour Coding Time
Day 2	10:00 AM – 1:00 PM	Lunch Break
Day 2	1:00 PM – 5:00 PM	Presentations followed by Valedictory

Do I need to pay any charges for anything?

There are no registration / participation fees at any stage of the hackathon.

Can I bring my mentor/parents/guests?

No. Only participants selected for the final round will be allowed to enter the premises. Companions, mentors, or guests will not be permitted.

Can you clarify the problem statement?

New problem statements will be provided on the day 1 at the beginning of the hackathon. These will be entirely different and unrelated to the previous virtual round.

Who will be my Odoo reviewer for the final round?

Your team's Odoo reviewer for the final round will connect with you directly at the finale venue. This reviewer will be different from the one assigned during the virtual round.

Can I leave the venue at night and come back again?

During the 24 hour coding period (10:00 AM to 10:00 AM), participants are not allowed to leave the venue under any circumstances. If any participant chooses to leave will not entitle a certificate of participation, re-entry will not be permitted.

All participants must remain at the venue for 24 hours of coding time. Kindly make your travel arrangements on Day 1 Before 9 AM and on Day 02 after 5:00 pm after valedictory.

Are there any restrictions during the hackathon?

Participants will be immediately disqualified for any form of misbehaviour or interdisciplinary conduct. Chewing gum, tobacco, cigarettes and alcoholic products are strictly prohibited.

How will the winners be decided?

Winners will be determined based on multiple reviews by Odoo reviewers and the jury over the 24 hour period. Final decisions will be based on the team's overall performance and reviewer feedback. No reconsideration or objections will be entertained. The jury's decision will be final.
